PRODUCT MANUFACTURING

Shemax International brings in a history of four decades worth of commitment to quality and value. We aim to bring the latest and best products to you as never done before. We design and manufacture all kinds of Goalkeeper Gloves, Sports Apparels, Soccer Balls and Sports Accessories including Soccer Shin Pads, Sports bags etc.

Our state-of-the-art production unit is capable of producing millions of products per year. We are continuously upgrading our infrastructure and systems. At present we have some of the most advanced and technologically superior manufacturing machinery acquired from internationally reputed manufacturers around the world.

RESEARCH & INNOVATION

We are continually upgrading our systems with the support of our research and development team to continuously work on up-skilling of machines and making processes more digital and less human-dependent.

DESIGN & DEVELOPMENT

We are providing services to customers from designing to the 3D visualization of products by offering minimum sampling costs. Our latest printing capabilities leave no bounds in creating & visualizing small-scale innovation of product accessories.

TESTING AND EVALUATION

Our in-house lab is capable to perform various types of raw materials and finished product tests. With state-of-the-art equipment to check product conformity and continuous upgradation with the latest technologies ensure the fulfillment of requirements of our all customers.
